

Swimming Pool & Leisure Centre

Recent years have seen a significant growth in demand for swimming pools, and health and leisure facilities in Ireland.

Public pools such as Tuam, Naas & Athy swimming pools are being provided through the traditional procurement and funding routes. Davis Langdon PKS are cost controlling these projects using their traditional Quantity Surveying service.

Public finances are not always available and in many cases Public Private Partnerships (PPP) are required to achieve the desired outcomes.

Davis Langdon PKS are specialists in PPP Schemes and have acted for Public bodies on such schemes as the National 50m Pool in Limerick, and the National Aquatic Centre at Blanchardstown.

Our specialist skills have also been utilised by PPP bidding consortiums on projects such as Cappagh Road and Loughrea swimming pools in Galway, and Grove Island Leisure centre in Limerick.

Private pools either as stand alone projects or as part of larger commercial or hotel schemes demand a high level of cost control and value engineering to ensure they are commercially viable. Davis Langdon PKS are working on a number of such schemes including Ballincar House Hotel, Sligo, Killybegs Hotel, Donegal, and Moore Street Plaza, Dublin.

Pool and Leisure facilities have specific requirements in terms of water treatment, mechanical and electrical services, finishes to wet areas and specialist fittings. The cost control of these elements is critical. Davis Langdon PKS can provide the necessary experience and skills.

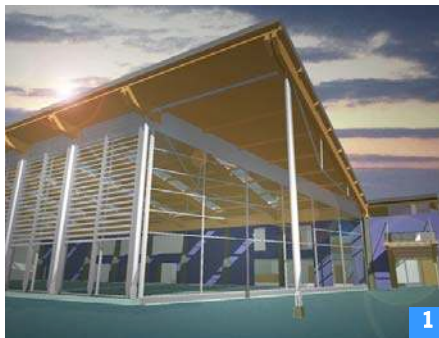

Davis Langdon PKS may be contacted as follows:

DLPKS Dublin	: Donn O'Shaughnessy	01-676 3671
DLPKS Galway	: John O'Regan	091-530 199
